Manufacturer: Sun System / Sunlight Supply

Bug Net
10" REPLACMENT ACTIVE CARBON INSERT 2/PK
The most important words for successful horticulturists who want consistently bigger, healthier plants - FRESH AIR! Fresh air without pests. Bug Net keeps bugs from entering your grow room via your intake fan. The days of duct taping screens to a fan are over. Bug Net easily slips on and off fans and ducting. Velcro straps hold Bug Net in place.The smallest weave screen availableProven to catch insects smaller than no-seums(i.e. Whiteflies)Less than 15% air flow resistanceEasily slips on and off for washingMildew and UV resistant
