2' x 2.5' LITE LINE Gorilla Grow Tent (No Extension Kit)

Manufacturer: Gorilla Grow Tent

The all new LITE LINE from Gorilla Grow Tent has been engineered for growers that want a Gorilla Growing Experience, but are on a budget. These tents feature the same quality as Gorilla Grow Tent, but with a few design changes.
• They are still height adjusting (extension kit not included)• They still have a 100% steel interlocking frame• They still feature the best zippers in the industry• They still have EZ view windows, convenient tool pouches, 10" double cinching ducting ports, and sturdy spill trays
Gorilla Lite Line Grow Tents are professionally designed grow tents that are ideal for experts and perfect for beginners. Double your yields with the first ever height adjusting grow tent. This expertly designed grow tent is the perfect solution for those discerning customers that crave Gorilla quality, but are on a tight growing budget. The expert configuration positions ducting ports where they should be. Large EZ View windows offer easy grow snapshots without compromising your environment. The doorways and wraparound zippers offer 360 degree convenient access. Large 10″ double cinching ducting ports make maintaining an ideal growing environment a snap. All metal interlocking poles provide a stable and strong growing enclosure that's perfect for indoor gardening success. Grow easy on yourself. Grow Gorilla.
