6 INCH CHARCOAL FIBER FILTER

Model: OAF-6
6 INCH CHARCOAL FIBER FILTER

Manufacturer: C.A.P. Custom Automated Products

Organic Air Charcoal Fiber Filter 6” Max C.F.M. 942 (OAF-6)ORGANIC AIR CHARCOAL FIBER FILTER
The "Freshmaker" filter line will enable single pass filtration
of strong odors at very high CFM’s. The Organic Air Freshmaker
filters consist of three layers of highly active charcoal fiber with
millions and millions of active micropores that attract and capture
odors. The filter is easily washed to keep the micro pores clean
and ready to absorb more odors. They can be used with fans from
0-5000 CFM. The highest rated filters with the largest surface area
on the market, and at less than ½ the size of old traditional filters!

Manufacturer's Product Information

2008 MSRP $119.95
