ECO-SPRING POST FILTER (Special Order) Case of 25

Model: 728970
ECO-SPRING POST FILTER (Special Order) Case of 25

Manufacturer: Hydro-Logic

FOR Hydro Logic™ Eco-Spring™ Home Water Purifier
ECO-SPRING POST FILTER (Special Order) Case of 25
About the RO System (NOT included): Pure spring water produced at home easily.

Simple yearly replacement of main 4 stage cartridge and post filter no complicated replacement schedule for multiple filters.

No mess, no spill maintenance due to sealed cartridges. No tools required!

About the Revolutionary Filter System

30% faster flow rate from included faucet.
Fast tank refills ensures plenty of water on tap at all times.
Compact footprint for tight spaces inside cabinetry.
Innovative Reverse Osmosis membrane allows 40%+ savings in drain water.
Remineralization post filter adds calcium for taste, health benefits, and to alkalize the product water.
Single, 4 stage main cartridge to change instead of multiple cartridges.
Help the environment - No more plastic bottles!

Includes: Compact Reverse Osmosis System, Faucet, Feed fitting, Drain saddle and Pre-plumbed tubing. Unit dimensions are 9.72"W x 13.75"D x 15.38"H and unit weight is 11 lbs.

Price: $28.71
