Manufacturer: DutchMaster

Dutch Master Gold Reverse
REVERSE 1L/34OZ (12/CS)
Reverse is a ready to use (no dilution required) foliar spray that quickly and efficiently helps to bring peace to a grower's worst nightmare…. awful seed problems! The unique formulation of specialty minerals & amino acids enables Reverse to help reduce that headache! Modern Science allows Reverse to achieve this remarkable feat by channeling selected minerals and amino acids into the Mesophyll layer of the plant. This layer is responsible for most of a plants energy production (Photosynthesis) and more importantly is the starting point of all the metabolic pathways. Simply put, the selected minerals and amino acids provide your plants with the vigor they need to channel the correct metabolites in the pathways responsible for flowering, helping to correct any imbalances.

Manufacturer's Product Information

2007 MSRP Each $17
Case Weight30.45 LB
Case Dimensions16.5 x 10.25 x 7.25 IN
Case Quantity12

Price: $14.98
