1/2 HP ChillKing Chiller

Model: hf-HSCK50

1/2 HP ChillKing Chiller

Manufacturer: HydroFarm

ChillKing 1/2 HP ChillKing Chiller (HSCK50)ChillKing® has been successfully building and installing high quality, commercial-grade chillers and complete water cooling systems at several popular restaurant chains for over 10 years, and is now expanding on that successful history by making their products available to the gardening industry. Each chiller is individually tested for specific BTU output, and if output doesn't exceed compressor size, the chiller doesn't ship.

Ranco digital temperature controller

Filter/Dryer

Copper ChillKing evaporator

Evaporator freeze protection

All welds and solder undergo double inspection

Pre-tested and catalogued prior to packaging

Freeze tested evaporator for operational endurance
