Emily's Garden System

Model: eco-4721
Emily's Garden System

Manufacturer: HydroFarm

Emily's Garden System

Manufactured by Hydrofarm, this small subaeration hydroponic system includes everything you need to grow flowers, herbs and vegetables. This 16" x 24" garden with individual planters allow you to rotate or add new plants as you please. Each planter (filled with geolite growing medium) rests in a pump-areated nutrient solution. Your plants absorb food and water as they need it. Pour in a little nutrient and water every week, and thats it! System Features:Dimensions: 16" x 24" Formed Cover Six Planters Geolite Growing Medium Seed Starter Cubes Pump Hydrofarm All Purpose Nutrient - 16 oz. Illustrated Instructions
