Happy Frog® Fertilizers
HAPPY FROG JUMP START 4lb 12/c
Fruit & FlowerFruit & Flower delivers multiple blooms and gread but set for all your flowering plants. You'll get brighter colors, spellbinding scents, and delicious flavors, all thanks to the extra boost that comes from the micronutrients and living organisms in our fertilizers. You might not see the healthy root system below ground, but the multiple branching and heavy bud set above ground will tell you that your plants are well-fed.Fruit & Flower is pH-balanced with premium organic ingredients like bat guano, kelp meal, alfalfa meal, feather meal and humic acid, a naturally occurring organic material that is formed when organic matter decomposes. Humic acid helps with seed germination and may increase the uptake of important micronutrients. Packed in a resealable plastig bag.Japanese MapleFinally, a fertilizer that's blended for the unique needs of Japanese Maple. Japanese Maple Fertilizer uses a lower-nitrogen formula that supports a natural tendency to grow in cool weather environments. This means less leaf scorch in summer - even in sun - and a smooth transition to dazzling fall color. A lower pH helps the roots take up the nutients they need, and phosphorous and potassium deliver color illumination like you've never seen before. You'll get all the brilliant reds, purples, and oranges that make Japanese Maples the crowning glory of the garden.Our Japanese Maple fertilizer contains premium organic ingredients like bat guano, cottonseed meal, feather meal and humic acid, a naturally occuring organic material that is formed when organic matter decomposes. Humic acid helps with seed germination and may increase the uptake of important micronutrients. Packed in a resealable plastic bag.Tomato & VegetableBefore you can bring a great meal to your table, you need to bring a great meal to your garden. Tomatoes, soft fruits, and veggies require a special nutritional mix to ensure high yields. Our Tomato & Vegetable formula is pH-balanced with premium organic ingredients like bat guano, kelp meal, alfalfa meal, fish meal and humic acid, a naturally occurring organic material that is formed with organic matter decomposes. Humic acid helps with seed germination and may increase the uptake of important micronutrients. Packed in a resealable plastic bag.Acid LovingRhododendrons, Azaleas, Hydrangeas, and other acid-loving plants have special nutritional needs. Without just the right pH balance, the roots simply cannot access the nutrients in the soil.Our Acid Loving plant formula has a special pH level just for acid-loving plants, and it's blended with premium organic ingredients like cottonseed meal, feather meal, bat guano, kelp meal, alfalfa meal, and humic acid, a naturally occuring organic material that is formed when organic matter decomposes. Humic acid helps with seed germination and may increase the uptake of important micronutrients. Packed in a resealable plastic bag.All PurposeSupport healthy growth all season long with our Happy Frog® All-Purpose blend. It's pH balanced with premium organic ingredients like feather meal, fish meal, bat guano, and humic acid, a naturally occuring organic material that is formed when organic matter decomposes. Humic acid helps with seed germination and may increase the uptake of important micronutrients. Packed in a resealable plastic bag.Steamed Bone MealSteamed bone meal is the secret ingredient of flower gardeners. For healthy plant growth, supplement your regular feeding program with our bone meal. It contains calcium, which creates strong cellular development in plants. Packed in a resealable plastic bag.High Phosphorous Bat GuanoOur high phosphorus bat guano is perfect for gardeners who want the extra strength of this single, powerful ingredient. Because of the long aging process that this product goes through, our bat guano is packed with phosphorus to deliver spectacular flowers, sweeter fruit, and multiple bud set. Packed in a resealable plastic bag.Bulb FoodPlanting bulbs in the fall is an investment in the future. You know your hard work will be rewarded in spring, when Tulips, Daffodils, and Hyacinths burst into bloom. Protect that investment with our specially formulated Bulb Food. It's designed to support gorgeous flowers and a long blooming season.Our Bulb Food is pH-balanced with premium organic ingredients like bone meal, bat guano,
