1" Bench Base/Wheel Mount

Model: hf-BCCOMPABS

1" Bench Base/Wheel Mount

Manufacturer: Botanicare

Botanicare 1" Bench Base/Wheel Mount (BCCOMPABS) Most Botanicare systems are available with a high quality powder coated aluminum bench. The aluminum bench supports the tray separating it from the reservoir. This makes it easier to clean the system and to change the reservoir water. The bench also provides support for optional light-stand if desired.

All bench bars are 1" square powder coated heavy duty aluminum. Bench legs are 14.5" high.
