"Mail-Back" Beneficial Insect Redemption
Live beneficial insects from Orcon! You are purchasing a product that Orcon sends live to your door. We call these products "Mail-Backs" because each package comes with a postcard that you mail back to Orcon with your name and address and the Purchase Code. Orcon has created a spot on their website to speed up this process:
http://organiccontrol.com/re-deem-mail-backs/

Price: $99.95
