Manufacturer: C.A.P. Custom Automated Products

PurGro 1K4 Flip
The 1K4, the product that growers dream over, is finally available from R & M Supply. The 1K4 is like having 4 ballasts all in one box, but wait for it, FOR HALF THE PRICE! A deal like this is almost surreal, but PurGro and R & M can help you make it a reality for your customers by bringing this directly to your store today! There is no other product like this on the market, so don't hesitate to get this item on your shelves today - your customers will thank you!

So what makes the 1K4 Flip Ballast unique versus traditional ballasts?

Four individual dimmable channels – 1000, 600 and 400 Watts
Built-in Lighting Controller with 120/240 volt trigger cable
Built-in flip box runs 8 lights, (4 lights at a time)
Connects to a single 30 amp 240 volt breaker
Runs MH or HPS bulbs
Completely digital
Low RF Noise
Eights standard lamp receptacles, your lights will plug right in
Easy to wire, solid machined-brass fittings

Manufactured by PurGro http://purgro.com
