Model: hf-HX62550

Hortilux Ultra Ace Conversion (Halide to Sodium) Bulb, 360W

Manufacturer: EYE Hortilux Lamps - Iwasaki

Eye Hortilux Hortilux Ultra Ace Conversion (Halide to Sodium) Bulb, 360W (HX62550)Extend the growing season to 365 days a year with Eye HortiluxTM grow lamps. Choose Eye Hortilux lamps to raise your lighting system to a new level of performance, optimizing spectral energy levels that promote vigorous plant growth.
EN lamps are completely lead-free and contain less mercury than standard HPS lamps. The environmentally friendly lamps (EN) can usually be disposed of without being recycled; however, please check your state laws first, which may be more strict than federal law. For information on how to recycle your lamp, visit www.lamprecycle.org.
Hortilux Ultra Ace (converts metal halide to HPS) conversion lamps are HPS lamps that operate on metal halide systems, transforming a one-dimensional metal halide lighting system into a complete growing system. These bulbs provide optimum red spectral energy, required for flowering, and are environmentally friendly, passing EPA TCLP test criteria as non-hazardous waste.
For use in 400W Metal Halide fixtures.
