Model: eco-4490
Raptor 8" AC Reflector

Manufacturer: HydroFarm

Raptor 8” AC Reflector (eco-4490)8" Raptor Reflector
This new mega reflector was designed with our customers' needs in mind. You wanted bigger, broader, brighter light coverage... our engineers built it all into our newest addition, the Raptor.
• Exclusive engineered design by Lighting Sciences • Broad light spread allows close placement to plants for maximum light delivery in low-clearance locations • Fully gasketed and sealed for most effective heat isolation and cooling • Best-in-the-world 95% reflective, four-sided Alanod Hammertone aluminum interior • Pre-galvanized multi-point reinforced construction • Most efficient reflector in its class • 15' pre-wired lamp cord included • Aerodynamic design • Built-in socket • Completely sealed lens system

SKU: RP8AC
Weight: 50.1 lbs.
Package Dimensions: 43.3L x 33.0W x 13.3H
Suggested Retail: $269.95
