READYGRO™ MOISTURE FORMULA 1.5 CU FT 40 lbs (60/PALLET)

Manufacturer: Botanicare

Botanicare® ReadyGro Moisture Formula™
READYGRO MOISTURE FORMULA1.5CU
ReadyGro Moisture Formula (1 to 2 waterings daily) is specifically designed for handwatering, automated pots and planters with large plants. This formula contains more coir fiber and pumice stones than the ReadyGro Aeration Formula. This formula will give plants enhanced moisture content for longer duration in between feeding and more pumice stones to help anchor large plants. ReadyGro Moisture Formula is ideal for both indoor and outdoor environments. Be assured that ReadyGro Moisture Formula will not waterlog plants even if the plants sit in 1 to 2 inches of standing water.NOTE: Sold individually. Pallet quantity is listed for your reference in case you wish to order palletized.
