10 INCH CHARCOAL FIBER FILTER

Model: OAF-10

10 INCH CHARCOAL FIBER FILTER

Manufacturer: C.A.P. Custom Automated Products

Organic Air Charcoal Fiber Filter 10" Max C.F.M. 4000 (OAF-10)ORGANIC AIR CHARCOAL FIBER FILTER

The "Freshmaker" filter line will enable single pass filtration of strong odors at very high CFM's. The Organic Air Freshmaker filters consist of three layers of highly active charcoal fiber with millions and millions of active micropores that attract and capture odors. The filter is easily washed to keep the micro pores clean and ready to absorb more odors. They can be used with fans from 0-5000 CFM. The highest rated filters with the largest surface area on the market, and at less than ½ the size of old traditional filters!
