Ona Mist Dispenser

Model: eco-5765

Ona Mist Dispenser

Manufacturer: odor neutralizing agent (ona)

Ona Mist Dispenser
Has an electronic eye that senses bright light or low light. You can set it to spray only in the dark (low light) or during the day (or when lights are normally on). The third option allows you to set it to spray 24 hours per day.
The spray is metered out in three adjustable time intervals - 7.5 minutes, 15 minutes, or 30 minutes. Operating on batteries, the ONA Mist Dispenser can be placed anywhere.
Ona Mist Aerosol Dispenser
The ONA Mist Dispenser has been redesigned and now features added controls - set it for night, day, or 24 hours. The dispenser also has three programmable spray intervals.
Small and portable makes the ONA Mist Dispenser an excellent device for controlling odors in small areas.
The ONA Mist Dispenser has an electronic eye that senses bright light or low light. You can set it to spray only in the dark (low light) or during the day (when lights are normally on). The third option allows you to set it to spray 24 hours per day.
The spray is metered out in three adjustable time intervals - 7.5 minutes, 15 minutes, or 30 minutes. Operating on batteries, the ONA Mist Dispenser can be placed anywhere.
