Thermostats

10" x 20" Web Tray with Side Openings

Model: dl-310208

10" x 20" Web Tray with Side Openings

Manufacturer: -

10" x 20" Web Tray with Side Openings (310208) Web trays make watering your cuttings or starter plugs fast and easy. Simply dip the bottom of the tray (with your cuttings in it) into water/nutrients and then place the tray inside one of our other 10" x 20" trays without holes (sold separately) and allow the excess water to collect in the second tray, eliminating messes and saving you time.
