Case Quantity1
Pallet Quantity24
UPC870883001018

Price: $195.20

Options available for SUN SYSTEM® 1 MH 1000W 120V & 240V MVP™ :

Extra Shipping Box: As we all know, couriers can be very hard on freight. As a precautionary measure, we are offering our customers the option of purchasing these protective over wrap boxes. The boxes are 150 lb kraft (brown color). The idea is that when the order is shipping, the printed master carton is put inside this box. UPS/FedEx/USPS will inevitably scuff up the outer carton but when the printed master carton is removed from the over wrap box, it will look nice and new

Overwrap Box (+$3.00), No Thanks.
