SUN SYSTEM® 10 SWITCHABLE 1000W 120V CROP MASTER™

Model: 902060
SUN SYSTEM® 10 SWITCHABLE 1000W 120V CROP MASTER™

Manufacturer: Sun System / Sunlight Supply

Sun System® 10 Crop Master Ballast
Features:

High quality ballast will insure years of trouble-free use.

Extruded aluminum ballast enclosure dissipates heat for maximum reliability. The powder coated finish is attractive and durable.

High temperature capacitor insures long lasting durability.

Our Exclusive Power Pointer easily switches from 120 to 240 volt power! Simply unplug the detachable 120 volt power cord (included), turn the Power Pointer arrow down for 240 volt power and plug in a 240 volt power cord. THAT'S IT! (240 volt power cord sold separately, #903082).
A barrier wall between the ballast and the capacitor/igniter helps keep the critical components cool.
Lamp cord receptacle — accepts all Sun System® lamp cords (sold separately).
Heavy duty handle for easy carrying.
Rubber feet reduce noise and vibration.

Replaces the old style "Sun System 10 Econogro"
Price: $95.33
