115 Gal Premium White Reservoir Bottom

Model: hf-HGRES115PWB

115 Gal Premium White Reservoir Bottom

Manufacturer: HydroFarm

Active Aqua 115 Gal Premium White Reservoir Bottom (HGRES115PWB) 115 gal premium reservoir, 52.75" x 47.25" x 15"

Features

- Stronger corners and thicker all around than most other brands
- Slightly concave sides to improve strength and avoid bowing
- Low profile to fit under flood tables and other hydroponic systems
- Multi-level drill access points for automated drainage, float valves, or other improvements
- Inside gradation to verify water level
- Great value at an affordable price

The Active Aqua line of flood tables, reservoirs, and covers offers features that rival the competition at value prices, including:

- True, full-size dimensions and volume to provide maximum growing area
- Made from durable, high-impact ABS plastic with UV resistance for longevity
- Stronger corners and thicker walls than any others in their class
