15' Extension Cable Set

Model: hf-SOLEXT-2

15' Extension Cable Set

Manufacturer: HydroFarm

Solatel 15' Extension Cable Set (SOLEXT-2) Give yourself more room. Extend the reach of your sensors with this 15 foot extension cable set. You won't be as tied to outlets or other connectors with this much more room to work with. Turn a 10 foot sensor cable into a 25 foot length. For example, use it with out Plant Pro product so you can monitor and adjust the sensor, even outside the grow room.
