16/3 600V Male Lock & Seal Receptacle

Model: hf-BAREM

16/3 600V Male Lock & Seal Receptacle

Manufacturer: HydroFarm

Hydrofarm 16/3 600V Male Lock & Seal Receptacle (BAREM) This 16/3 600V Male Lock & Seal receptacle replaces the male end of a cordset and attaches that cordset to a BAREF, female Lock & Seal receptacle. Male ends of cordsets may occasionally suffer damage from arcing. Also, DIY grow room constructors will find this part essential for wiring a new cordset into an existing reflector.
