Model: PEB-003

4 Bag Kit w/24" x 6" Pressing Screen

Manufacturer: C.A.P. Custom Automated Products

PAYLOAD 32 GALLON (PEB-003)PAYLOAD EXTRACTION BAGS

The Payload extractor bag is the very best cold-water extraction system in production today. Payload offers a four-bag kit and a nine-bag kit at the best retail price in the industry. We are positive that those who choose to use this product will be very satisfied with their purchase. Payload Extractor Bags stand behind the quality of the

product and offer a 100% satisfaction guarantee.

Payload filtration kits allow you to safely and efficiently extract the valuable resins that plants naturally secrete, without the use of

any chemicals. Plant extracts have many uses and health benefits including: cooking, perfumes, shampoos and soaps, beverages, and aromatherapy.

Bag Features:

Hand made

Drawstring for a tight fit

Industrial waterproof nylon sidewalls

Strongest Filter on the market, guaranteed pore size

Surge seamed with nylon upholstery thread for strength

Grommets for use in a suspension system

Product is lightweight and inexpensive to ship

Filters are very sturdy and the increased design of filter in the sidewall allows the liquid to flow out of the bags faster and with less stress on a person physically

Simple easy-to-follow instructions included and online

All Bags are color coded and the bags numbered and labeled

High quality pressing screen provided

PAYLOAD EXTRACTION BAGS

These bags fit inside a standard 5 or 32 gallon plastic container (the one with the rope handles) available from any home improvement store.
