Model: hf-HG5GL

5 Gallon Bucket Lid, Black, Pack of 10

Manufacturer: HydroFarm

Hydrofarm 5 Gallon Bucket Lid, Black (HG5GL) Put a lid on it! Ensure that every ounce of the important material you put in your bucket makes it to its destination without spilling or staining, using the Hydrofarm 5 gallon bucket lid. Made to top off our 5 gallon black buckets, this lid is strong and sturdy. The lip and grooves fit solidly over the top of the bucket, sealing off what's inside. This also enables you to stack buckets on top of each other without disturbing what's inside.

Because less isn't more, these lids are sold in packs of 10, and include a cutting template you can use to customize the lid for use with net pots.
