## 600W Gold E Ballast 120/240

Model: hf-HX91351

600W Gold E Ballast 120/240

Manufacturer: EYE Hortilux Lamps - Iwasaki

Eye Hortilux 600W Gold E Ballast 120/240 (HX91351)The EYE Hortilux Gold Series electronic ballasts were designed by experts in lamp, ballast compatibility. Understanding how HID lamps operate is critical when designing ballasts that will power a grow lamp.

The Gold Series ballast operates lamps with a high frequency, sine wave design. This allows for a reliable power supply at a competitive cost.

Completely sealed, the Gold Series is protected from dirt and moisture found in most grow rooms.

Gold Series electronic ballasts provide consistent, stable power allowing the lamp to produce high intensity and a quality spectrum.

The Gold Series will operate HORTILUX lamps as well as all other lamp brands.

Features include a long range igniter, soft start technology, silent operation, generator and flip box ready and the Gold Series is UL listed for fire and electrical safety.
