AccelaROOT 50-Cell Tray w/insert and starter plugs

Model: hf-JSAR50

AccelaROOT 50-Cell Tray w/insert and starter plugs

Manufacturer: HydroFarm

Jump Start AccelaROOT 50-Cell Tray w/insert and starter plugs (JSAR50) Start growing on a small scale, then watch your plants take root! The ROOT!T AccelaROOT 50-cell tray gives you up to 50 small "homes" for your seedlings and cuttings. This finely crafted tray is made to help you jump start growth. Once you've started to sprout, plugs come out of the tray cells easily to be transplanted into bigger pots or a garden setup, letting you start all over again -- with the same tray. No more equipment to buy!

Features

Unique drainage properties deters damping off!

Pre-moistened, pH-balanced peat plugs offer optimal air-to-water ratio

Prevents overwatering, develops stronger roots for world-class yields

Micro-air pocket development encourages dense feeder root production for explosive root growth

20% faster stick time

No rooting hormone needed

Plugs transplant directly into your garden

Label printed on tree-free bamboo paper
