ACTINO IRON 9oz

Model: 721510

ACTINO IRON 9oz

Manufacturer: -

Actino-Iron 0 - 0 - 0

Actino-Iron® is a unique granular soil additive that combines the Actinovate® organic fungicide with organic iron and humates. It is a professional product that is used by thousands of commercial greenhouses, nurseries and landscapers for controlling root diseases and providing long term greening. Turn retail potting soil into professional grade by adding Actino-Iron®.

EPA Reg. No. 73314-2.
