Active Air Carbon Filter, 6" x 16", 400 CFM

Model: hf-ACCF166

Active Air Carbon Filter, 6" x 16", 400 CFM

Manufacturer: -

Active Air Carbon Filters are loaded with virgin activated Australian granular carbon. This carbon adsorbs VOC's (volatile organic compounds) therefore trapping every odor molecule that passes through the filter onto the micro-porous carbon surface. These filters are light weight and incredibly effective at removing the most potent and dankest odors. Each filter is machine packed and includes a pre-filter.

- Attached flange
- 1.8" carbon bed depth
- Powder coated aluminum tops & bases
- 2-year life expectancy

Price: \$65.99
