Agrotech Medium Reflector 6 Pack

Model: 904727

Agrotech Medium Reflector 6 Pack

Manufacturer: Sun System / Sunlight Supply

Agrotech Medium Reflector - 6 pack

Lightweight all aluminum reflector with galvanized steel back plate. Features 95% reflective German aluminum for excellent reflectivity and diffusion. Sun System® lamp cord is compatible with Sun System®, Galaxy® and other ballasts. It is now detachable from reflector, as well as ballast, for ease of use. Fully enclosed socket assembly protects wiring from heat and UV light.

Reflector is completely assembled. Socket easily attaches with four small bolts.

Price: \$185.81
