Model: hf-FX14015

American Pride Dry Fertilizer, 20 lbs.

Manufacturer: FoxFarm

FoxFarm American Pride Dry Fertilizer, 20 lbs. (FX14015) FoxFarm's American Pride organic-based dry mix is an all-purpose, time-release fertilizer for flowers. It contains premium water soluble organics, plus low salt plant foods. American Pride is especially effective for roses, tomatoes, and lawns. This nutrient contains alfalfa, iron, and linoleic acid, as well as iron and copper for rich, dark green foliage and abundant blooms. Most growers find American Pride more suitable for flowers than vegetables. Use it 2-3 times per year on outdoor flowering trees and shrubs. American Pride promotes quick green-up and plant vitality, activating with beneficial microbes naturally found in healthy soil. Using American Pride will increase size and color intensity of your buds and blooms. Find out why this product is master gardener approved -- show your pride today!
