Aquaponic Gardening: A Step by Step Guide

Manufacturer: HydroFarm

Aquaponic Gardening: A Step by Step Guide (BKAG) Aquaponic Gardening is the definitive guide for the dedicated do-it-yourself enthusiast. Author Sylvia Bernstein gives you all the tools you need to create your own home aquaponic system for healthy, safe, fresh and delicious food all year round. Starting with an overview of this emerging global movement, the book goes on to explain the nuts and bolts of: • Understanding system options and alternatives, designing systems, selecting components, and choosing your system location • The living elements - fish, plants, bacteria, and worms • Putting it all together - starting and maintaining a healthy system
