AQUASHIELD COMP SOL 4 OZ 12/CS

Manufacturer: Botanicare

Botanicare® Aquashield®#8482; Compost Solution

AquaShield®#8482; is useful throughout a plants life cycle in both soil gardens and hydrogardens utilizing aeroponics, deep water culture, ebb and flow, and top water drip to create a natural and beneficial growing environment. AquaShield®#8482; will assist in strengthening your clones root masses and offers the best chance of survival when transplanting. AquaShield®#8482; also benefits mature plants in providing a healthy root zone for optimum plant performance.
