AquaVita 925 Stainless Steel Sump Pump

Model: dl-510925

AquaVita 925 Stainless Steel Sump Pump

Manufacturer: -

AquaVita 925 Stainless Steel Sump Pump (510925)The AquaVita Stainless Steel Sump Pump is the perfect tool for large drainage jobs like ponds and swimming pools, basement flooding, plant watering, and more. This pump's high quality rare earth rotor and wear-resistant ceramic shaft make it super energy efficient and the epoxy resin sealed motor ensures low operating noise and a water-tight seal. The AquaVita Sump Pump is intelligently designed with a bottom inlet which allows it to pump water at low levels and allows for high lift and powerful water flow. The built-in thermostat gives this pump an added safety feature and maximum reliability, and the beautiful stainless steel housing guarantees a long working life free of rust. All models feature an 11.5 grounded power cord. 1 year manufacturer's warranty. Included fitting: 3/4 Gallons Per Hour: 925 Maximum Height: 9.19 ft Wattage: 70W
