Model: hf-GH43500

AzaMax, 1 oz POP (12 ea/pop box)

Manufacturer: General Hydroponics

NEW from General Hydroponics, convenient and attractive counter-top displays. These 1 oz bottles all have flip-top drip-tops for easy application.

This revolutionary pesticide provides broad, systemic protection against nearly all pests. Completely organic, AzaMax is OMRI certified and safe for use up to the day of harvest as a foliar or systemic application. These NEW 1 oz bottles make up to three gallons of solution, and are a great way to help growers discover that nothing is as amazing as AzaMax.
