Ballast Kit Halide 400W Multi-Volt

Model: hf-BAHL400MVKT

Ballast Kit Halide 400W Multi-Volt

Manufacturer: HydroFarm

Hydrofarm Ballast Kit Halide 400W Multi-Volt (BAHL400MVKT) Ballast Kit Halide 400 W Multi-Volt

Best choice for DIY grow room aficionados! Whether you are wiring your own first ballast setup or performing a complete overhaul of your existing equipment, this kit offers all you need, including the right capacitors and transformers.

Rely on Hydrofarm for premium quality North American made ballast components. All parts are UL recognized. Ballasts include welded-on brackets for easy replacement mounting. All units 175 watts and above are multi-volt capable.

Replacement Ballast Kits - Halide, sodium, or halide/sodium convertibles are available in a variety of wattages, brands, and types. Be sure to review item number and descriptions carefully before ordering. Contact your Hydrofarm sales representative for help selecting the best items for your grow room.
