BCuzz Coco Nutrition A 10 Liter

Model: 733476

BCuzz Coco Nutrition A 10 Liter

Manufacturer: -

B'Cuzz Coco Nutrition A & B (each sold separately)

Coconut substrates are still very popular as a cultivation medium. Coconut has the buffering properties of soil and the accuracy of rock wool. This combination makes for healthy growing and blooming plants. Coco Nutrition A & B helps crops make better use of the coconut and also ensures a biological balance in the coconut substrate.
