Big Mama 8x8x8, case of 18

Manufacturer: grodan

Grodan Big Mama 8x8x8 (RW108001) BIG MAMA is the largest block ever produced by Grodan. It is 8" square and contains over twice the amount of wool as the popular Hugo block. This block is big enough to grow a large plant for its entire life! When your plant outgrows its current block, just place it on top of Big Mama. BIG MAMA is solid wool and does not have a pre-cut hole thus making it suitable to hold any size smaller block on top (even a Hugo).
