Model: hf-BTROGP

Big Time Hydroponics Big Time Roots, 1 gal (Not for sale in OR)

Manufacturer: -

Big Time Roots will:

- Decrease nutrient needs.
- Decrease rooting time of new cuttings..
- Destroy root pathogens and the food sources they feed on.
- Prevent anaerobic microbes in the root zone and reservoir/feed tank
- Eliminate the need for caustic chemicals like Peroxide or Bleaches to clean reservoir,s trays,and feed lines.

Each milliliter/CC contains a whopping 2.7 billion cfu's of seven highly effective beneficial microbes.

Big Time Roots is non-toxic and safe for all plant, animal, and marine life!Not for sale in OR.

Price: \$32.11
