BioAg Ful-Power 5 Gallon

Model: 719779

BioAg Ful-Power 5 Gallon

Manufacturer: BioAg

BioAg Ful-PowerBioAg Ful-Power 5 Gallon (719779)This is the most effective humic acid product you will find anywhere. Our Cold Microbial Extraction Process mimics earths' natural processes resulting in an organic humic with high bioavailability, primary and secondary metabolites, as well as phytostimulants from the "fermentation" process. The purified humic acid in Ful-Power™ has superior chelating ability and can help optimize cellular/plant growth, increase yields, and builds root mass and overall plant health/immunity. Humic complexes enhance both mineral and trace element uptake in plants without inducing toxicity.
