BioAg VAM 300 gm (12/Cs)

Model: 719732

BioAg VAM 300 gm (12/Cs)

Manufacturer: BioAg

BioAg VAM

VAM dramatically improves the surface area of your plant's root mass. This leads to increased nutrient and water adsorbing capabilities. VAM includes 7 specially selected species of endo mycorrhizae with a heavy dose of the very aggressive *Glomus intraradices*. Includes a myriad of ingredients to guarantee the vigor and proliferation of the fungi. Reduce transplant stress as well as establish protection from potential disease pressure. VAM contains only endo mycorrhizae.
