BioBud Qt.

Model: hf-GH5332

BioBud Qt.

Manufacturer: General Hydroponics

General Organics BioBud Qt. (GH5332) Bio Bud provides flowering plants with minerals and amino acids. It encourages profuse and abundant flowering and fruit production. BioBud works in harmony with BioThrive Bloom fertilizer as a bloom enhancer.

General Organics provides gardeners with a complete line of superior organic plant foods and supplements that combine the time-tested materials of traditional gardening with the ecological and efficient methods of the future. Each product in the "GO" line enables you to enrich your garden, your life, and the plant. General Organics' foundation rests upon their deep commitment to provide simple, sustainable and innovative products with unsurpassed quality.
