

BIOTHRIVE BLOOM 2.5 GALLON (2/CASE)

Model: 726814

BIOTHRIVE BLOOM 2.5 GALLON (2/CASE)

Manufacturer: General Hydroponics

General Hydroponics Bio Thrive Bloom 2-4-4

BioThrive Bloom is formulated to provide blooming plants with essential elements needed for superior blooms and harvests. The vegan formulation is pure and natural from organic sources. BioThrive Bloom promotes massive flowers and fruit and also encourages microbial activity in the growing media. It is ideal for both potting soil and soilless growing.
