BioThrive Bloom Qt

Manufacturer: General Hydroponics

General Organics BioThrive Bloom Qt (GH5132) BioThrive Bloom offers flowering and fruiting plants essential nutrients for superior blooms and bountiful harvest. The pure and natural vegan formulation, conceived from plant and mineral extracts, encourages beneficial microbial activity in the root zone. BioThrive Bloom benefits all kinds of plants during flowering and fruiting phases of growth, and can be used with a wide variety of garden soils and potting mixes.

General Organics provides gardeners with a complete line of superior organic plant foods and supplements that combine the time-tested materials of traditional gardening with the ecological and efficient methods of the future. Each product in the "GO" line enables you to enrich your garden, your life, and the planet. General Organics foundation rests upon a deep commitment to provide simple, sustainable and innovative products with unsurpassed quality.
