BIOWAVEmini

Model: hf-BW1000

BIOWAVEmini

Manufacturer: HydroFarm

Biowave Industries BIOWAVEmini (BW1000)BIOWAVEmini growth booster is the next innovation of Biowave Industries Inc. The core technology of BIOWAVEmini is two stainless steel cages that counter rotate, creating subsonic harmonic waves that resonate with the plants and cause them to breathe better. Increased respiration/transpiration is shown to create greater yields and more plant vigor in vegetables and fruits. • BIOWAVEmini helps plants breathe better by stimulating the opening of stomata. • Increased Brix level and crop quality factors. • Helps repel and prevent insect attacks and infestations. • Plug & Play - Just plug into any wall socket! • Effectively covers 500 sq ft growing space. • Works with either 110v or 240v. • Draws only 30 watts when running. • Won't hurt humans, BIOWAVEmini only affects plants. • In 3 years of testing, lowest result was 12% yield increase. • BIOWAVEmini will not affect lights or any other electrical equipment. • BIOWAVEmini is made out of stainless steel. It has a one year manufacturer's warranty. • All BIOWAVEmini machines and designed, manufactured, and assembled in the USA. • Recommended cycle time 15 on 45 off during the light period. • 1-year warranty
