Manufacturer: HydroFarm

Hydrofarm Black Plastic Planter 7 Quart (HG7QBK) You trust Hydrofarm to deliver on products such as reflectors, ballasts, and grow lights, so why turn anywhere else for your planters? Don't settle for containers that will break and put your plants at risk. Our 7 quart capacity black plastic planters give your plants an excellent home. The sturdy material cradles the plant in its media and the black color soaks in the heat. Even the quick-draining multi-level bottom was designed with best growth practices in mind. Use these buckets indoors and out -- they're easily moveable by their formed rims. Find out why Hydrofarm quality extends to our planters, and beyond!
