Blossom Blaster, 20g

Model: hf-GTBB20

Blossom Blaster, 20g

Manufacturer: Grotek

Grotek Blossom Blaster, 20g (GTBB20) Blossom Blaster® is effective in all growing media and is compatible with all base nutrients. It provides available phosphorous to improve root development as well as aid in blooming and fruiting. Potassium is instrumental in moving sugars produced by photosynthesis.

Do not use as a foliar spray. Always use fresh product. Do not add to existing solutions.

Directions for use: Hydroponics: For every 10 L (2.5 gal) of growing solution in your reservoir, mix in 1 g (1/4 tsp) of Blossom Blaster®. Add Blossom Blaster directly to your reservoir when flower buds appear established. Mix it in well. Repeat once more two weeks later. Soil/Soilless Applications: For every 10 L (2.5 gal) of water,

mix in 1 g (1/4 tsp) of Blossom Blaster. Dissolve Blossom Blaster directly into your watering jug. Water with 1/2 L (1/2 qt) per plant when the first flowers appear. Repeat once more two weeks later.
