Bluelab Connect Stick

Model: 716486

Bluelab Connect Stick

Manufacturer: Bluelab

Bluelab Connect Product Suite

The Bluelab Guardian Monitor Connect, Bluelab Connect Stick, Bluelab Connect Range Extender and Bluelab Connect Software. The Bluelab Guardian Monitor Connect can connect wirelessly to a computer at the grow site via the Bluelab Connect Stick, which enables the data logging of pH, Conductivity and Temperature to the FREE Bluelab Connect Software, downloadable online. The logged information is viewed on a computer and can also be accessed remotely via the cloud from a mobile device or other computer, allowing the grower to view the status of the grow system 24 hours a day. The Bluelab Connect Range Extender is available when you need to extend the range between the Guardian Connect and Connect Stick.

Price: \$97.31
