BOTANICARE® HYDROPLEX BLOOM 0-10-6 - GALLON (12/CASE)

Model: 733094

BOTANICARE® HYDROPLEX BLOOM 0-10-6 - GALLON (12/CASE)

Manufacturer: Botanicare

BOTANICARE® HYDROPLEX BLOOM 0-10-6 - GALLON (12/CASE) (733094) Botanicare® Hydroplex Bloom Maximizer 0-10-6

Originally available in two formulas, Hydroplex has been condensed down to one balanced formula that is effective for all growing mediums. Hydroplex Bloom Maximizer, now includes a broader range of amino acids, more trace minerals, and more select, beneficial vitamins. Use Hydroplex in conjunction with any base bloom nutrient to maximize the yield potential of fruiting and flowering plants. Though most standard PK boosters are structured to create larger fruits and flowers, Hydroplex Bloom Maximizer surpasses that standard by both increasing plants resistance to external stresses and amplifying natural enzyme, chlorophyll, and essential oil production.
