PUREBLEND GROW ORIGINAL GALLON

Pure Blend Original Organic 1-0.5-1 Formula PURE BLEND is a hydro-organic compost solution blended with select organic ingredients from the land and sea. PUREBLEND contains all major and secondary elements, as well as an abundance of trace minerals, growth hormones, cytokenins and auxins. PURE BLEND also contains a vast array of vitamins, enzymes, amino acids, natural humates, carbohydrates and organic plant acids. A few of the benefits of using PURE BLEND include: Lush green, healthy vegetation. Larger fruits, vegetables and flowers with higher yields. More compact plants with shorter internodes. Increased growth and crop maturity rates. High mineral, vitamin, sugar and oil contents in produce. PURE BLEND reduces plant stress caused by severe environmental conditions, such as heat, frost and drought and rebuilds overworked dead soil and brings it alive again. Allows beneficial microbes to live and thrive within the growing substrate or soil, converting organic elements into usable plant energy and thus producing increased plant bio-mass. PURE BLEND is best used as a supplement to standard fertilizer or hydroponic nutrient formulations.

Manufacturer's Product Information

2007 MSRP Each \$29.95
Case Weight 43.65 LB
Case Dimensions 13.25 x 11. x 11.25 IN
Case Quantity 4

Price: \$15.40
