Botanicare Vitamino 2.5 Gallon

Model: 739140

Botanicare Vitamino 2.5 Gallon

Manufacturer: Botanicare

Vitamino

VITAMINO'S 20 aminos- glycine, alanine, valine, leucine, isoleucine, serine, threonine, aspartic acid, glutamic acid, asparagine, glutamine, lysine, arginine, histidine, cysteine, cystine, methionine, proline, phenylalanine, tyrosine, tryptophan.

Botanicare developed Vitamino to preserve balanced plant growth and optimal plant health in accelerated growth environments. Vitamino uses high impact supplements including select vitamins and all 20 essential amino acids to act either directly, or as cofactors for enzymes that trigger biochemical pathways commonly used in plant tissue culture and lead to the synthesis of essential macromolecules.
